

## Syllables and Affixes

## SORT 45 Prefixes (re- and un-)

Name \_\_\_\_\_

Sort your words by the prefixes. Record them below in **alphabetical** order. You do NOT need to rewrite the guide word.

re-	un-	Oddballs
<b>rebuild</b>	<b>unable</b>	

When you add the prefix re- to a word it means “to do again”. For example, rebuild means to build again. Retake means to take again. Use the following words in sentences:

Remodel - \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Recycle - \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Review - \_\_\_\_\_

\_\_\_\_\_

When you add the prefix un- to a word it means “not” or “opposite of”. For example, unwrap means to not wrap or the opposite of wrap. Unable means you are not able to complete a task. Use the following words in sentences:

unselfish - \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

uneven - \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

unkind - \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

You should have found two words that are oddballs because they don’t fit the pattern. Explain which words you picked and why.

You need to complete the word scramble that is attached this week. You should also complete a blind sort with a partner/peer/parent/sibling/etc. before your test on Friday.
